## Chris Smith is "Proud" to celebrate 1yr at Bigfoot Construction Supply

"I'm proud to say I've been a part of the Bigfoot family for just over a year now, and every day I learn something new about construction. I love getting to meet contractors face-to-face on the job sites and help fulfill their everyday supply chain needs. My goal over time is to gain enough experience and knowledge to eventually move into sales, but for now, you can catch me delivering every week in the greater Seattle area!"

## Thankful for our Veteran's

On Veterans Day, Bigfoot Construction Supply pays tribute to those who have served in the proud and honorable tradition of the United States military. We sincerely thank each of you for your dedication to preserving our freedom at home. There is no more honorable act than serving your country.

- To a **Marine** veteran: Thank you for serving as one of the few and the proud. It's not just a privilege to express my gratitude; it's an honor. Semper Fi!
- To an **Air Force** veteran: Thank you for aiming high and always being ready to fly, fight, and win –worldwide.

- To an **Army** veteran: I honor your service, which reflects the long, proud, and distinguished legacy of the U.S. Army.
- To a **Navy** veteran: I am grateful for your role in protecting the sea lanes and safeguarding America's freedom abroad.
- To a **Coast Guard** veteran: I deeply appreciate your vigilant defense of our shores and beyond!

"Honor to the soldier and sailor everywhere, who bravely bears his country's cause. Honor, also, to the citizen who cares for his brother [and sister] in the field and serves, as he best can, the same cause." - Abraham Lincoln
