## WORK ANNIVERSARIES

# "JUST FOLLOWING UP"... TO CELEBRATE—BIGFOOT'S A-TEAM—ON THEIR WORK ANNIVERSARIES!

### Riley Woodard

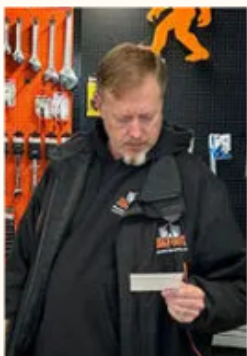

March marks four years since Riley Woodard joined the Bigfoot team, and we couldn't be more grateful to have him. Since 2021, Riley has been a key part of our Inside Sales team, bringing a wealth of knowledge, an unbeatable work ethic, and just the right amount of humor to keep the office lively.

Whether he's helping customers find the right products or "just following up" on quotes, Riley is always on top of his game. He's earned the nickname "The Rizzler", but let's be honest—his true claim to fame is that shiny bald head we all love to give him a hard time about.

Riley, you are a staple within our Tukwila shop. Thank you for everything you do! Bigfoot wouldn't be the same without you. Cheers to MANY more years of hard work, laughs, and follow-ups!

### Mark Stoneback

March marks two years since "Stoney" joined the Bigfoot team, and in that short time, he's made a huge impact. As the Kent Branch Manager and member of the Inside Sales team, Mark brings years of industry experience, extensive knowledge, and the driest humor this side of the supply yard.

Whether he's talking shop, cracking jokes, or making sure his Kent crew is well-fed (seriously, the man never forgets a lunch run), Mark is always looking out for his team. His dedication to his work, his customers, and his Bigfoot family is second to none.

Mark, we appreciate everything you do! Thanks for keeping things running smoothly—and keeping us laughing along the way. We look forward to more sales, sandwiches, and sarcasm in 2025!
