A YEAR OF GROWTH AT BIGFOOT CONSTRUCTION SUPPLY

This past year brought some major milestones for our team:

- **New Location:** We proudly moved our Tukwila branch to Seattle, featuring a brand-new showroom where customers can explore new products, tools, and solutions firsthand.
- **Growing the Team:** We welcomed four new team members to better support our customers across the region:
 - Tristan Stayner – Service Specialist (East Side)
 - Louis Issacs – Service Specialist (Downtown Seattle)
 - Shams Qureshi – Service Specialist (South Side)
 - Nikole Buck – Accounting Manager
- **5-Year Anniversary:** 2025 marked five years of Bigfoot Construction Supply, and we couldn't be more grateful for the partnerships and relationships that made it possible.

These milestones reflect our continued commitment to growth, service, and long-term partnership with the contractors who trust us every day.

Celebrating Together – A True Bigfoot Family Tradition

Our annual Bigfoot Christmas Party was a special reminder of what truly makes this company great – the people and families behind the work. While it's always fun to celebrate another successful year, what stood out most was seeing our Bigfoot family continue to grow.

This year, we were excited to welcome some of the newest additions to the Bigfoot family. **Michael Gomez (Inside Sales – Seattle)**, **Riley Woodard (Inside Sales – Seattle)**, and **Tristan Stayner (Service Specialist – East Side)** all brought along their beautiful babies, each born in 2025. We also loved having **Shams Qureshi (Service Specialist – South Side)** join us with his little brother, adding even more smiles to the night.

Moments like these are what make our company special. It's not just about numbers, sales, or growth – it's about people, relationships, and the families who support everything we do. At Bigfoot Construction Supply, we're proud to be a family-first company, and seeing our team grow both professionally and personally is something we truly value.
