AMERICAN MADE. ★ BUILD AMERICA, BUY AMERICA. ★ BUILT FOR THE PEOPLE WHO BUILD THIS COUNTRY.

## **Celebrating Independence. Supporting American Manufacturing.**

Every Fourth of July, we celebrate the freedoms that make this country great. At Bigfoot Construction Supply, we also recognize the hardworking men and women who build America every single day.

From electricians and plumbers to ironworkers, concrete crews, mechanical contractors, and general contractors, America's infrastructure is built by skilled trades—and we're proud to stand beside them.

That's why we're committed to stocking an expanding lineup of domestic and Build America, Buy America (BABA) compliant products.

American manufacturing isn't just about where a product is made. It's about dependable quality, shorter lead times, supporting American jobs, and delivering products our customers can trust when every deadline matters.

As a locally owned company, we believe investing in American-made products is another way we invest in our customers and our communities.

This Independence Day, we're proud to celebrate the people who continue Building America Together.

## Domestic Products You Can Count On

Bigfoot Construction Supply proudly stocks a growing selection of domestic products from many of the industry's most trusted manufacturers, helping contractors satisfy Build America, Buy America requirements while maintaining the quality and performance today's projects demand.
